

ACTION TAKEN REPORT OF INTERNAL QUALITY ASSURANCE CELL 03/07/2024

International Conference: Faculty members were tasked with notifying various colleges about the event. A substantial number of participants attended and presented their papers, with representatives from four different countries.

SSR submission: The Self-Study Report (SSR) was submitted on September 5th as part of the college's accreditation process. This comprehensive document highlights our institution's strengths, achievements, and areas for improvement. It reflects the collective efforts of faculty, staff, and students in gathering data and insights over the past year. The submission marks a significant milestone in our commitment to enhancing educational quality and accountability.

Konkani Food Fest/ theme lunch: The Konkani Food Fest, featuring a themed lunch, showcased the rich culinary traditions of the Konkani region. Attendees enjoyed a variety of authentic dishes prepared by skilled chefs, highlighting the vibrant flavours and unique ingredients characteristic of Konkani cuisine. The event provided a wonderful opportunity for participants to experience cultural heritage through food, fostering community spirit and appreciation for diverse culinary arts. Overall, the fest was a delightful celebration of flavours and traditions.

IET Placement: The IET placement initiative at SJHMC successfully facilitated Industrial exposure training for 118 students this year. A diverse range of companies participated in the recruitment process, offering training across various sectors. The placement team worked diligently to prepare students through workshops, resume building, and mock interviews, enhancing their skills. This achievement reflects the college's commitment to providing quality education and ensuring successful career outcomes for its students.

ACTION TAKEN REPORT OF INTERNAL QUALITY ASSURANCE CELL 02/11/2024

University Examination:

The University examinations were conducted on schedule, adhering to all academic guidelines and procedures. Examination halls were arranged with the necessary facilities. The examination process was efficiently managed, with strict adherence to academic integrity protocols. Any student grievances during the examination period were promptly addressed by the examination committee.

Training) for Students:

The Industrial Exposure Training (IET) for students was successfully launched as per the academic schedule. All necessary steps were taken to partner with industry leaders for practical exposure opportunities. A comprehensive orientation was conducted to brief students on the training objectives, expected outcomes, and industry expectations. Students were placed in industry settings that align with their academic disciplines, and regular feedback from both students and industry mentors has been collected to ensure the training's effectiveness.

Completion of Syllabus and Subject Preference:

The faculty ensured the timely completion of the syllabus. Special attention was given to addressing any gaps in learning, and extra sessions were organized where required. Additionally, faculty subject preferences for the upcoming semester were collected and analyzed. The allocation process took into consideration the availability of resources, faculty expertise, and student interests. Efforts were made to accommodate as many preferences as possible to enhance student engagement and learning outcomes.

The World Expo for Food Service Excellence:

The college participating in the World Expo for Food Service Excellence, an international event showcasing innovations and advancements in the food service industry. The insights gained from the Expo will be incorporated into the curriculum, and follow-up plans include hosting similar events on campus to further enhance industry collaboration.
