Preamble:

History, Guiding Principles & Special Features

It has always been the tradition of the Diocese of Palai to open up new avenues for higher education for the people of the diocese and for those outside the diocese as well. The Technical Education Trust of the Diocese of Palai entered into the field of professional education in 2002 by establishing an Engineering College named St Joseph's College of Engineering and Technology, Palai, and in 2005 a Nursing College at Cherpunkal.

Considering the factors such as fast growth of the tourism sector in India, the great demand for professionals in the field of Hotel Management and catering services and the lack of institutions in South India offering AICTE approved 4-year degree courses in Hotel Management, the Technical Education Trust of the Diocese of Palai decided to establish such an institution.

Accordingly, St. Joseph's Institute of Hotel Management and Catering Technology, Palai was established in 2010 in a serene and picturesque campus adjacent to St. Joseph's College of Engineering and Technology, Palai, in a high profile modern building with all facilities and other requirements. The management has a finishing school which provides all the necessary soft skill exposure required for campus recruitment and employment.

The four year BHM Degree course is being conducted in collaboration with leading hotels like Marriott International, Oberoi, The Taj, Oakwood, Zuri, CGH Earth, Ramada, Holiday Inn, Crowne Plaza, The Paul's, Club Mahindra, Avenue Regent, Radisson Blu, Olive Down Town, Leela, Ravis, Arte Central, Lemontree, Trident, The Panoramic Getaway, The PGS Vedanta, Grand Hyatt, Conrad, Krishna Beach Resort, Niramaya Resort, Forte Kochi etc.

The Institute provides an environment conducive to learning and achieving the academic and professional aspirations of the students. We aim to achieve a minimum of 80% results in examinations on the first chance and 100 % placement to all who acquire the

minimum qualification stipulated by the Industry. We could achieve 100% placement in 2014, 2015, 2016, 2017, 2018 and 2019. Employment opportunities for graduates of these courses are available in Star Hotels, Cruise liners, Airlines, Railways, National and International Event Management, Multinational Companies and Hospitals. Many of our former students work in Canada, Dubai, New Zealand, Russia, Italy, Qatar, Saudi Arabia, Ireland, Singapore, Australia, Oman, Kuwait, Sharjah, Doha, Belgium, Germany, Egypt, Bahrain, Latvia, Fujairah, Riyadh, Italian Cruises, Flight Kitchen etc.

We are committed to preserving the ecosystem and living in harmony with Nature. The Institute maintains a green and absolutely clean campus. We place a special preference for wooden furniture in the Institute. SJHMCCT follows a strategic planning approach to development insisting on continuous improvement at all levels. One can witness synergy at work on our campus. We have well-qualified, dedicated and trained teachers. Our laboratories and other facilities are adjudged by various visiting committees as one of the best among similar institutions in India. Our quality management system got ISO 9001 - 2015 certification. We are committed to providing the best learning experience for our students.

Our Vision

To develop into a leading and pace setting provider of professional courses and programmes to develop and train suitable manpower for the Hospitality Industry.

Our Mission

To develop young men and women into professional experts to manage Hospitality Industry in general and Hotels in particular.

To equip youngsters with conceptual and interpersonal skills for managerial decision making and its execution in hospitality and related industries.

To develop and encourage the entrepreneurial capabilities of the young generation to become effective change agents.

Our Quality Policy

- ★ Strategic planning approach to development
- ★ Commitment to Continuous Improvement
- ★ High quality faculty and infrastructure
- ★ Teamwork and consultation at all levels
- ★ Computerised services.
- ★ Most effective and efficient teaching - learning process
- ★ Learning skills development programmes
- ★ Personality development programmes
- ★ Absolutely clean and eco-friendly campus

Our Value System

- ★ Abiding faith in the Almighty
- ★ Integrity and openness
- ★ Respect for the individual
- ★ Gender and social equality
- ★ Recognition for creativity and innovation
- ★ Total quality and market relevance
- ★ Service to mankind
- ★ Accountability to society
- ★ Positive approach to everything
- ★ Harmony with nature
- ★ 100% PLACEMENT IN 2024-2025 ACADEMIC YEAR
